

Public Workshops for 5310 Program

- Lead agencies are strongly encouraged to attend!
- Regional public workshops will guide the public in discussing and prioritizing issues and needs, constrained by the amount of funding allocated to the district.
 - Conversation starts with needs and issues identified in plan revisions; Whatever information is available from incomplete plans will be used and, if necessary, supplemented by common issues identified by PTN
 - Materials will be available in English and Spanish.
- Agenda
 - Welcome and Ground Rules
 - Transit Providers Give Overview of Current Service
 - Brief Overview of 5310 Program
 - Issue and Need Identification
 - Issue and Need Prioritization
 - Debrief and Wrap-up

Public Workshops for 5310 Program

Next Steps for Lead Agencies

- Look for final announcement of meeting times and dates soon
- ***Please submit your plan information to Steve Wright at least one week before your TxDOT region meeting date(s) so that we can include the information at the meeting***
- Share the meeting announcement with partner agencies
- RSVP to your PTC
- Attend the meeting prepared to listen and answer any questions about your plan
